Subject: [External]FOIA Request — Records re: LEC and PoliceApp.com (Jan 1, 2023 – Present)

Dear Records Division,

Under the Connecticut Freedom of Information Act, C.G.S. § 1-200 et seq., I am requesting the following records of the Norwich Police Department from January 1, 2023 to the present:

1. Law Enforcement Council of Connecticut (LEC)
   a. All contracts, agreements, memoranda of understanding, or other written arrangements between the Norwich Police Department (or the City of Norwich) and the Law Enforcement Council of Connecticut.
   b. All communications (including emails, letters, and text messages) between NPD staff and LEC representatives.
   c. All invoices, payments, and other financial records relating to LEC services.
   d. All reports, data, spreadsheets, or statistics received from LEC, including but not limited to applicant lists, test results, pass/fail statistics, demographic breakdowns, and scoring reports.

2. PoliceApp / PoliceApp.com
   a. All contracts, agreements, memoranda of understanding, or other written arrangements between NPD (or the City of Norwich) and PoliceApp.com (or its operator).
   b. All communications between NPD staff and PoliceApp representatives.
   c. All invoices, payments, and other financial records relating to PoliceApp services.
   d. All applicant data, reports, or statistics received from PoliceApp.

3. NPD hiring data tied to the LEC/PoliceApp pipeline
   a. Number of applicants for NPD sworn positions who applied via LEC/PoliceApp, by year and by posting.
   b. Pass/fail statistics for NPD applicants on any LEC-administered stage (written entry examination, physical agility, promotional exams), to the extent maintained by NPD.
   c. Any validation studies, job-analysis reports, disparate-impact analyses, or similar materials concerning the LEC written entry examination as used by NPD.

I would prefer to receive responsive records electronically at [redacted] If any records are withheld in full or in part, please cite the specific statutory exemption claimed for each withholding and inform me of my appeal rights under C.G.S. § 1-206.

Thank you,

[redacted]

1a. Attached to this email
1b. Mutual agreement to discuss at a later date.
1c. Attached to this email
1d. This is not something we get from the L.E.C. We only know if they pass because they can apply to our department on PoliceApp. This would be a request that needs to be send to L.E.C. to see what they can provide.

2. PoliceApp/PoliceApp.com

2a. City of Norwich Human Resources has agreements and contracts with PoliceApp. I was given permission to gain access to PoliceApp on 5/20/2025 and prior to that only HR was the only ones who had permission to see candidates and send invites to agility tests, oral boards, etc.
2b. Attached to this email.
2c. Again, HR took on financial responsibility to pay for invoices related to PoliceApp. The police department does not pay for PoliceApp.
2d. Unsure what type of data, reports or statistics you are looking for. I have never recieved any type of statistics reports from PoliceApp but I can see if there is a report I can run for you on certain details as I did in request "3b".

3. NPD hiring data tied to the LEC/PoliceApp pipeline

3a. Attached in this email in correlation to the data for request "3b".
3b. Attached to this email (excluding promotional exams). Promotional Exams are a separate and are administered by the LEC for our department and send to Human Resources.
3c. Do not possess.
